Subject: 2006 Planning and Growth

Over the past year our membership declined and there was no support provided to our members. It is my commitment to you that this will change during the upcoming year as your new President. I am planning on holding a minimum of four membership meetings in 2006. The first will be on Friday, January 6th at 7:00pm at Sego's Herb Farm in La Center, WA. I encourage everyone to attend. Please contact Roger or Kathy Sego at (360) 263-7757 as to your ability to make this meeting.

Attached are the minutes of our most recent meeting. For those of you who were not in attendance, a number of decisions were made that will positively impact the future of our organization. If you have any questions or comments on the minutes, please feel free to contact me.

Kathy Sego has agreed to take the lead on updating our website. Could everyone who has a web site please send her your logo and URL so that she can create a link from our website to your website. For your information, we were successful in re-capturing our website name.

I have also included an Application in this package. We are asking all our members to update their information on this form. Dues for 2006 were set at \$50 and are due by January 30, 2006. Please send your completed application and dues to the attention of Roger Sego, Treasurer, at 4820 NE 306th Circle, La Center, WA 98629.

Thank you for your support and I look forward to working with all of you over the coming year.

Regards,

Darren Deputy
President
